**DISCLOSURE OF CUMULATIVE REFERENCES IN
U.S. PATENT APPLICATION NO. 10/530,083**

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

A Notice of Allowance was issued in the above-identified U.S. Patent Application on June 24, 2008.

On July 3, 2008, applicant identified to the undersigned attorney two (2) non-patent documents for citation in the present application.

The undersigned attorney has reviewed the newly identified references and has determined each document to be cumulative disclosure in (i) the specification of the present application, and (ii) other references cited to and already considered by the Examiner in the course of the present application's prosecution.

Nonetheless, to complete the record of this application, the undersigned attorney is submitting herewith copies of each of such references (identified below as Enclosures).

In addition, it is noted that a divisional patent application, U.S. Patent Application No. 11/939,546 was filed on November 13, 2007, but such application has not yet been examined on the merits.

Respectfully submitted,

/steven j. hultquist/
